County of San Luis Obispo

TO: Board of Supervisors
FROM: Public Works
Michelle Matson, Traffic Engineer
VIA: Glenn Marshall, Transportation Division Manager
DATE: 12/9/2014
SUBJECT: Submittal of a resolution establishing changes to the Traffic Regulation Codes to establish no parking zones on Pine Avenue, Los Osos; Cayucos Drive, Cayucos; and disabled parking zones on West Centre Street, Shandon. Districts 1 and 2.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution amending the County's Traffic Regulation Code sections involving disabled parking and no parking zones.

DISCUSSION

The Department of Public Works received requests for parking restrictions at the following locations:

Pine Avenue, Los Osos - Non-standard bike lanes were removed on a portion of Pine Avenue during construction of the Los Osos Wastewater Project. To maintain some of the parking restrictions that were present with the bike lanes, residents have requested no parking on the east side of Pine Avenue. The attached resolution will establish a no parking zone on the east side from Skyline Avenue to Ramona Avenue.

Cayucos Drive, Cayucos – Public Works issued an encroachment permit to the San Luis Obispo Regional Transportation Authority for the placement of a bus stop on the east side of Cayucos Drive north of North Ocean Avenue. The attached resolution will establish a no parking zone for all vehicles other than a bus on the East side of Cayucos Avenue from the centerline of North Ocean Avenue to a point that is one hundred seventy feet northeast.

West Centre Street, Shandon – West Centre Street east of the State Highway 41 and Centre Street intersection became part of the County Maintained Road System as part of a route relinquishment by the State. The attached resolution will establish an existing disabled parking zone on the north side of Centre Street adjacent to Crawford W. Clarke Park as enforceable under County Code.

Staff recommends your Board adopt the attached resolution to establish parking regulations at these locations.

Adoption of these regulations does not require a public hearing.

OTHER AGENCY INVOLVEMENT/IMPACT

The California Highway Patrol and the Sheriff's Department will enforce these restrictions, once posted. Advisory Councils have been notified of these proposed actions.

The Bicycle Advisory Council has acknowledged that current bike lanes along Pine Avenue are infeasible and seek future project to incorporate full bike lanes.

Public Works reviews bus stop locations with Regional Transit Authority under a permit and establishes no parking zones as warranted.

FINANCIAL CONSIDERATIONS

Placement of signs is estimated to cost approximately \$1,000. This is within the Road Fund's budgeted amount for this activity.

RESULTS

Adoption of this Resolution will enhance County road safety and operations by establishing bus stops, maintaining two-way traffic and providing disabled parking, thus improving community livability.
